# SATYAM BARNWAL

Laravel Developer

📞 +91 - 8320854346    ✉ whosatyambarnwal@gmail.com    in whosatyambarnwal    📍 Surat, Gujarat

## ABOUT ME

Dedicated Laravel developer with strong expertise in building scalable, secure web applications and APIs using the Laravel framework. Proven experience integrating complex systems like Stripe (Payment Intents, Subscriptions, Klarna) and other third-party platforms, including Customer.io, Firebase, Intercom, and external APIs. Skilled in AI utilization, RESTful API development, and handling backend logic. Well-versed in Git, AWS (EC2, RDS), and server deployment, ensuring smooth, production-grade deployments. Committed to clean code, performance optimization, and delivering robust backend solutions.

## EDUCATION

**2021 - 2024**
Parul University

**Bachelor in Computer Application**
CGPA : 8.7 / 10
Specialized in Blockchain Technology. Actively participated in and organized various events, volunteered for multiple initiatives, and served as the TEC Event Coordinator.

**2020 - 2021**
Shardayatan Science School

**12th Grade - Science (PCM)**
Percentage: 72%
Focused on Physics, Chemistry, and Mathematics (PCM). Actively participated in school events and extracurricular activities.

## EXPERIENCE

**Nov 2023 - Present**
Potenza Global Solutions

**Laravel Developer**

- Developed and maintained scalable web applications using the Laravel framework.
- Designed and optimized RESTful APIs with advanced authentication and custom logic.
- Integrated payment solutions, including Stripe (Payment Intents, Subscriptions, Klarna), and third-party services such as Turnstile, Firebase, Customer.io, and Intercom.
- Performed web scraping to extract and integrate structured data from public sources, including OpenFoodFacts.
- Managed deployments and infrastructure on AWS (EC2, RDS).
- Utilized Git for version control and implemented CI/CD pipelines for streamlined collaboration and efficient development workflows.

## SKILLS

**Backend & Frameworks**

PHP          MySQL
Laravel      API Development

**Tools & DevOps**

Git          AWS (EC2, RDS)
Github       Deployement

**Other Skills**

3rd Party Integration    Team Management
Stripe Integration       Problem Solving
Debugging                Collaboration

## LANGUAGE

Hindi        English        Gujarati

## HOBBIES & INTERESTS

Moto Riding    Chess
Travelling     Music
